Cumulus Licensing, LLC  
Special Temporary Authorization

Dear Counsel:

This is in reference to the request filed November 5, 2007, on behalf of Cumulus Licensing, LLC ("Cumulus"). Cumulus requests extension of the special temporary authority ("STA") granted on May 3, 2007.<sup>1</sup> In support of the request, Cumulus states that the station's licensed antenna system and transmitter have been damaged; that after searching for other transmitter sites, it has decided to file a construction permit application to operate from the STA site on a permanent basis.

Our review indicates that Construction Permit BPH-20071113AIT was granted on February 15, 2008, and that Application BLH-20080324ADN is on file with the Commission. Thus, STA is no longer necessary.

Accordingly, the request for extension of STA IS HEREBY DISMISSED.

Sincerely,

Charles N. Miller, Engineer
